SEATRUST
INSTITUTE

Internship &
Professional
Certification Application

Thank you for your application. Internships and certifications are designed to be valuable to those who feel that there is something wrong in the world that needs changing. Our classes and work experiences are designed with that in mind: to provide those dedicated to working and making a difference with the tools, to innovate and apply new knowledge and global contacts to achieve those goals.

Whether you are a prospective intern, professional certification applicant, student or scholar, please complete the application form for a rewarding experience in research and practice. This program can be the basis of a growing professional and personal network that can provide rich and unexpected rewards. We are pleased that you are here!

Application Form of Interns, Students, Professional Certification Applicants, and Scholars

Thank you for taking the time to complete this simple two-step application.

In addition to the internship, by joining us you become part of a community of practice that can be the basis of continuing professional networking. The more you tell us about your talents and desires for the program, the better able we are to pair you with other individuals, programs and opportunities.

This form is confidential. We require from each applicant the following: NOTE we accept only .doc .docx .pdf files. Scanned documents such as credentials or scanned letters should be in .jpg/.jpeg or .gif file format.

Step1 - Apply

**Please email your application with the following attachments to:
seatrust@seatrustinstitute.org**

CV/Resume and all required materials to seatrust@seatrustinstitute.org

Application letter that includes issue to be researched and expectations of the internship opportunity

Attach academic credentials (unofficial transcript) or proof of professional standing and advisor support letter for credit internships

Step2 – Register

After receiving notification of acceptance, **Register** for your program and class through the internship website at www.seatrustinstitute.org/internship or directly through http://www.seatrustinstitute.org/registration.php

For admission to the current program, please apply as soon as possible at seatrust@seatrustinstitute.org. Application for internships are open on a rolling basis. Certifications and Classes are scheduled throughout the year. Check the listings on the website under Certifications or Classes.
