

AWARE Program Payment Information

AWARE requires a \$100.00 technology fee per participant. A limited number of scholarships are available because of the generosity of SeaTrust Institute sponsors of the AWARE program. These scholarships are designed for developing country youth or youth in the US who cannot afford the technology fee. Scholarship applications can be made at seatrust@seatrustinstitute.org.

_____ I will make a one-time payment now, at the start of the program.
